

SexEd Pro

Phase 2 Report - First Prototype and Heuristic
Evolution

Group 8

Jennifer Cristina Ricardo - up202109251@up.pt

Mariana Marujo Conde – up202108824@fup.pt

Bruno Rafael Oliveira Machado – up201907715@fe.up.pt

Project's abridged **description**

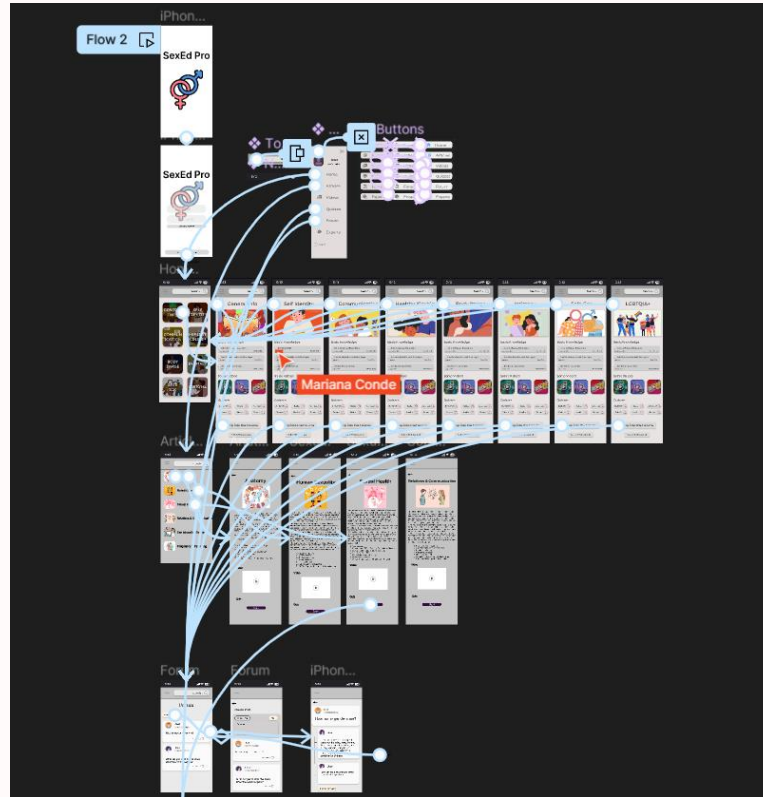

SexEd Pro é um aplicativo de educação sexual abrangente e informativo para pessoas de todas as idades, gêneros e orientações sexuais. Tem como objetivo fornecer informações atualizadas e confiáveis sobre todos os aspectos da sexualidade e relacionamentos saudáveis.

As três funcionalidades que escolhemos:

1. **HomePage:** as recomendações de acordo com os interesses do User.
2. **Artigos:** com diferentes temas para poder ler.
3. **Fórum:** área para troca de experiencias e lançar duvidas.

Prototype's Wireflow

Heuristic Evaluation Results

O Grupo 05 apresentou 5 problemas onde eram relacionados as Heuristic 7 e 8 e na escala de severity a máxima foi 3.

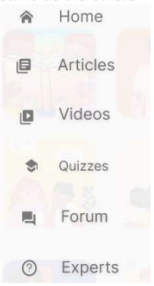

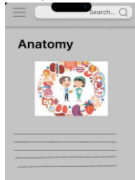

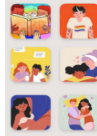

▲ Corrections to perform in Phase 3

Os problemas indicados no Evaluation Report pelo grupo 5, forma corrigidos. Para ultima entrega pretendemos corrigir seguir todas regras para não haver problemas com os users.

♥ Annexes

Problem #	Issue (include screenshot)	Heuristic(s)	Severity (1-4)
1	<p>The "quizzes" icon and written's size is not the same as the others</p> 	8	2
2	<p>If the idea is to propose quiz specifically for every article, it could be useful to add a button at the end of the article</p> 	7	1

3	<p>When we are reading an article we still have the option to search for other articles, but it could be useful to add an option research inside the article, in order to find specific words</p> 	7	1
4	<p>In the home page we can see the suggested articles, but we don't see the titles, so it could be not so clear what the article is about</p> 	8	2
5	<p>When we click on an article if we make a mistake and want to go back to the article list we have to press the options list, it would be easier to have a back option</p> 	7	3
